

## Grant proposal consultancy

*You have the ideas – we help you  
to attract funding*

## Project management

*Your grant proposal has been approved  
– here we go!*

**You do the research**  
• • • **we take care of the rest**

## Technology transfer

*From lab to market – we know  
how to commercialise your knowledge*

## Public relations

*Ready for the markets – we sharpen  
your profile and make you known*

## Training programmes

*Tools for your daily work – we pass on  
our knowledge and experience*

## Text & Layout

*Interesting and intelligible – we find  
words and pictures for any target group*
